

For people living with or affected by dementia

Essex Community Dementia Support Services

Our community support services are here for anyone living with or affected by dementia. We're here for you, providing support and guidance throughout every stage of your journey.

This leaflet was created in collaboration with people living with dementia.

It will take a society to beat dementia

Get support

We can provide direct support for you, your loved ones and your carer. We can signpost you to activities and support groups local to you. If you are struggling with memory loss and awaiting formal diagnosis, or if you've had a diagnosis and have unanswered questions, our fully trained and compassionate team can talk you through any worries and concerns.

Call our Dementia Support Line:

- Gain advice on healthcare, benefits and legal matters.
- Receive calls from our 'Companion Call' service.
- Access our on-line forum to share experiences and develop connections.
- Get a wide range of leaflets developed with people with a lived experience of dementia.

This service is available in England, Wales and Northern Ireland.

Meet a local Dementia Adviser in person:

- In the comfort of your own home.
- In a place of your choosing.
- In some memory clinics and healthcare settings across Essex.

Our local Dementia Advisers are a unique team, with a wealth of experience and extensive knowledge about all forms of dementia. They will listen to what is important to you, and provide personalised support and guidance. They'll also inform you about what's available locally, and put you in touch with other organisations that can help.

This service is available for all residents of Essex, except for Southend, which is covered by Southend City Council.

If you are admitted to hospital:

- Our Dementia Advisers can work closely with you, your family, and healthcare specialists, to ensure that your discharge is smooth.
- We can help you to avoid future unplanned admissions, but if this does occur, you'll be better prepared.

This service is available for residents of Essex, except for those living in Southend or Thurrock.

Dementia at a younger age

Being diagnosed with dementia earlier in life can bring different challenges. If you are living with dementia and under the age of 65, we can help to guide you through these difficult times.

- Get support directly from one of our Dementia Advisers.
- We can put you in touch with other people sharing similar experiences.
- You can participate in local or national projects, helping us to shape future services and improve our community's understanding of dementia.

This service is available for all residents of Essex, except for those living in Southend.

Support for carers

- One to one support, in person or on the telephone.
- Courses, in person or on-line, to provide information and advice.
- Peer support – join a group to make new friends, gain knowledge and share experiences.

This service is available for all residents of Essex, except for those living in Southend.

Engage with your community

We offer a variety of activity groups and information sessions across Essex, to help you stay connected and active. These are available for people with dementia, their loved ones and carers. Our current groups include;

- Singing for the Brain groups
- Walk and talk groups
- Low impact exercise
- Memory Cafes
- Online groups

We are always looking for people to help out with groups and events. Please contact us if you are interested in volunteering with us.

This service is available for all residents of Essex, except for those living in Thurrock or Southend.

“

There is no judgement when you attend a group. Whether you are living with dementia or supporting someone with dementia, it's a great way to meet people and feel part of a community. You can be yourself. You know you're not on your own.

One of our attendees

”

Your voice matters

By sharing the barriers and frustrations you have faced, you can help us to inspire organisations and communities to better understand, adapt and include people living with dementia.

No one understands the experience of living with dementia better than those who are living with it or caring for someone with it. We want to hear about and understand your experiences, and we promise to listen to what you have to say. Your opinion counts.

Many people tell us that they feel there is a stigma around dementia. With your help we can break this cycle and improve people's awareness and knowledge of the condition.

By raising awareness, we aim to foster a better understanding of what it's like to live with dementia, promoting a more accessible and inclusive community. Together, we can make a positive impact.

Alzheimer's Society is the UK's leading dementia charity, and the only one to tackle all aspects of dementia by giving help and hope to people living with dementia today and in the future.

We give vital support to those living with dementia, fund groundbreaking research, and campaign to make dementia the priority it should be. We're working towards a world where dementia no longer devastates lives.

These services are delivered in partnership with:
